1. Data compiled by POLIDATA with assistance from National Journal & the Cook Political Report. Data reaggreated from estimated election results in block-level redistricting datasets.
2. Even though some states do compile results by district, all data should be considered preliminary. Final review will tabulate final percentages and vote estimates.
3. Due to inconsistent data sources, all percentages are rounded and based upon major party votes only.
4. Districts with a close margin in the Presidential vote are flagged by a pound sign (#). Use these data with a healthy degree of skepticism.
5. Pres/Cong is indicated for "turnover" districts. In 2008, MD for MCCAIN DEMOCRAT; OR for OBAMA REPUBLICAN. MO/OO for Open Seat; MX/OX for D vs. R incumbent battle.

1. Data compiled by POLIDATA with assistance from National Journal & the Cook Political Report. Data reaggreated from estimated election results in block-level redistricting datasets.
2. Even though some states do compile results by district, all data should be considered preliminary. Final review will tabulate final percentages and vote estimates.
3. Due to inconsistent data sources, all percentages are rounded and based upon major party votes only.
4. Districts with a close margin in the Presidential vote are flagged by a pound sign (#). Use these data with a healthy degree of skepticism.
5. Pres/Cong is indicated for "turnover" districts. In 2008, MD for MCCAIN DEMOCRAT; OR for OBAMA REPUBLICAN. MO/OO for Open Seat; MX/OX for D vs. R incumbent battle.

1. Data compiled by POLIDATA with assistance from National Journal & the Cook Political Report. Data aggregated from estimated election results in block-level redistricting datasets.
2. Even though some states do compile results by district, all data should be considered preliminary. Final review will tabulate final percentages and vote estimates.
3. Due to inconsistent data sources, all percentages are rounded and based upon major party votes only.
4. Districts with a close margin in the Presidential vote are flagged by a pound sign (#). Use these data with a healthy degree of skepticism.
5. Pres/Cong is indicated for "turnover" districts. In 2008, MD for MCCAIN DEMOCRAT; OR for OBAMA REPUBLICAN. MO/OO for Open Seat; MX/OX for D vs. R incumbent battle.
