

2017 GOVERNORS RACE RATINGS FOR MAY 23, 2017

**Summary**

Democrats — 15  
 Republicans — 34  
 Independents — 1

The chart below provides a spectrum that analyzes the vulnerability (the chances of the seat switching parties) of the Governor races up this cycle.

**SOLID:** These races are not considered competitive and are not likely to become closely contested.

**LIKELY:** These seats are not considered competitive at this point but have the potential to become engaged.

**LEAN:** These are considered competitive races but one party has an advantage.

**TOSS UP:** These are the most competitive races; either party has a good chance of winning. Governors with names in parentheses are retiring.
