

2017/2018 GOVERNORS RACE RATINGS FOR JUNE 22, 2017

Summary

Democrats — 15
 Republicans — 34
 Independents — 1

The chart below provides a spectrum that analyzes the vulnerability (the chances of the seat switching parties) of the Governor races up this cycle.

SOLID: These races are not considered competitive and are not likely to become closely contested.

LIKELY: These seats are not considered competitive at this point but have the potential to become engaged.

LEAN: These are considered competitive races but one party has an advantage.

TOSS UP: These are the most competitive races; either party has a good chance of winning. Governors with names in parentheses are retiring.
